

## POLICY FOR PROTECTING INSTRUCTIONAL TIME AT ETON

At Eton School, we believe that our students benefit most from their learning experience when their instructional time is free from unnecessary interruptions and alterations. This is why we ask for your cooperation; if you need to contact your child's teacher during school time, we ask that you send an email or phone ahead of time to make an appointment. This way, we will be able to handle your needs in a professional way, and in doing so, allow your child to make the most out of their time with their teachers and protect their learning environment.

We also ask you to respect class schedules and the school calendar to further protect your child's instructional time. Especially in regards to the Santa Fe campus, early dismissal is at 12:45 p.m. exclusively. We are certain that by following these measures, our students will learn the importance of order and respect towards their academic work.
