

Admission Process for Siblings

If you're interested in enrolling your children's younger siblings in Nursery for the 2027-2028 school year, please fill out the online application form in Eton Online: www.eton.edu.mx> **Eton Online (icon in the top right corner of the page)> Family number and password> Forms> Admissions> New Sibling Admission.**

Eton families looking to enroll in Nursery get priority admission, but due to limited availability, we ask that you contact us before October 31. After that date, we will open the enrollment process to new families.

If you are hoping to enroll your children's siblings in any other grade, you will also need to fill out an application form in Eton Online, but please keep in mind that these are subject to availability in the grade requested.

If you've already filled out your application form, please contact our Admissions team to make sure it's being processed:
